## **Corporate Governance SIG**

### **Call for applications for a communications' officer position**

The EURAM's Corporate Governance (COGO) SIG is pleased to announce the opening of the application period for a new member of the SIG Steering Committee (the initial task will be communications' officer).

The Corporate Governance SIG focuses on research exploring broadly related corporate governance issues (e.g. the antecedents, characteristics, processes, and consequences of corporate governance in and around organizations). Through its Tracks in each EURAM annual conference, it offers a space of research dialogue and development around issues related to corporate governance systems, ownership structures, boards of directors and top management teams, diversity, innovations in internal and external governance, corporate social responsibility and accountability. The SIG encourages research from different theoretical lenses and research methods, as well as analyzing corporate governance in different types of enterprises and different contexts, including countries and regional cultures.

Candidates with strong academic and research experience in one or more subfields of corporate governance are welcome to apply.

The successful candidate must be able to make a commitment for at least one (1) year to the SIG and to EURAM, but with the motivation to discuss with the other SIG officers for a possible continuation of her/his term as SIG officer.

The term of service for the new communications' officer will start in July 01, 2021.

Candidates interested in applying for the position are invited to send the following:

1. A letter of interest indicating:

- (a) any experience of the candidate with the COGO SIG (e.g., track proposals, track management, participations as author, discussant, chair);
- (b) any experience and relationships of the candidate with other research groups, associations or institutions interested in the same topics.

2. A copy of the candidate's CV.

The deadline for applications is November 30th, 2020. Please send your application by email to [cogo.euram@gmail.com](mailto:cogo.euram@gmail.com)
