

STRonger Together **Virtual PDW** offer the opportunity for the AOM Strategic Management Division (STR) community to stay engaged with current research topics and professional development. We have several PDWs scheduled for July and into the first week of August; these include several which are sponsored annually by STR and others organized by STR members which were originally accepted to the annual conference but are now being held as part of our STRonger Together initiatives prior to the conference. If you have any questions please email aomsamina@gmail.com.
